

Dentalcidin™

BROAD-SPECTRUM TOOTHPASTE AND
LIPOSOMAL ORAL CARE SOLUTION WITH BIOCIDIN®

Assists in Addressing Biofilms and Plaque to Promote Healthy Teeth and Gums*

Pathogenic biofilms and microorganisms cause a number of oral health concerns that can lead to systemic health challenges. Use of the broad-spectrum botanicals in Dentalcidin™ can assist in addressing biofilms and plaque, and are an excellent way to promote and maintain healthy teeth and gums. Dentists also recommend concurrent use of Dentalcidin™ LS Liposomal Oral Care Solution for increased support for periodontal challenges and after any dental work.

Dentalcidin™ Toothpaste

- 20% Biocidin® broad-spectrum combination
- Daily use toothpaste, perfect for both children and adults
- Professional grade Zeodent® hydrated silica for gentle and effective cleaning
- Aloe assists in soothing and repairing gums
- Tastes great and free from sugar, gluten, fluoride, and artificial flavorings and colors

Dentalcidin™ LS Liposomal Oral Care Solution

- Biocidin® broad-spectrum combination plus clove and myrrh fight biofilms, plaque, and mouth odors
- Co Q10 and quercetin support oral tissues and help reduce inflammation and speed repair
- Research shows results in as little as 4-8 weeks of use
